

RUGGED

Engineered to grip

PRODUCT DESCRIPTION

RUGGED CROC was developed to prevent cable theft by keeping the cable intrenched underground and securing it in place. It is made of an engineered polymer to withstand great stresses and forces that may be placed on the product.

RUGGED  **CROC**

Available Sizes:

- 25mm Rugged Croc - Range 20mm-35mm
- 50mm Rugged Croc - Range 35mm-75mm
- 95mm Rugged Croc - Range 75mm-120mm

RUGGED CROC SECURES YOUR CABLE FROM THEFT
